## Christians Boycotting Disney

Why are literally Millions of Christians boycotting the Disney Company? “Boycott Disney?” a lot of people ask. “But they are about the only company doing anything good with movies and entertainment.”

Yes, the Disney company still does produce some quality, family-friendly movies. Certainly, the Disney theme parks are known worldwide as places where families can enjoy themselves.

However, make no mistake about it: When dad or mom pays \$25 dollars to take the family to see “Hunchback of Notre Dame,” he or she is also paying for the media-driven promotion of incest, graphic sex, hard drug use, profanity, obscenity, satanic occult lyrics, and homosexuality. All these now share a strange legacy with Pinnochio, Snow White, Peter Pan and the Little Mermaid hallmarks of the Walt Disney Company.

### What Does the Bible Say About This?

Jesus tells us in His Holy Word to keep from evil, not to support or condone it, but to publicly rebuke it so that all will know the Truth. (Ephesians 5:8-11).

### Who Is Boycotting the Disney Co. Now?

The Southern Baptist Convention, the Catholic League for Religious and Civil Rights, Presbyterian Church in America, Assemblies of God, Free Will Baptists, the American Family Association, Focus on the Family, Christian Family Network, Concerned Women for America, the Family Research Council, and many, many other Christian churches and organizations.

### Disney-Owned Holdings to Avoid

Walt Disney Brands, Buena Vista brands, Capital Cities/ABC brands, Touchstone Pictures, Hollywood Pictures, Caravan Pictures, Miramax films, the Disney Channel, Hyperion Press, Chilton Publications, and more that are not listed here.

## Disney Facts

- Disney's ABC TV Network Online Webmaster told an ABC viewer, "How about getting your nose out of the Bible (which is ONLY a book of stories compiled by MANY different writers hundreds of years ago)... Or better yet, try thinking for yourself and stop using an archaic book of stories as your crutch for your existence."
- The Disney Co. is one of the only faithful sponsors left for the vulgar Howard Stern radio show. Stern said that he thought the Columbine High killers should have raped the girls.
- Priest (Disney-owned Miramax Co.) is a pro-homosexual movie that depicts five Catholic priests as perverts and blames their perversion on Church teachings. One priest is homosexual, a second an adulterer, a third an alcoholic, a fourth demented, and the fifth mean and vicious.
- Disney hired Kevin Smith to produce two movies: Dogma, which attacks Christianity by asserting that Christian beliefs are little more than mythology, and Chasing Amy about a man's pursuit of a lesbian.
- Disney hired Victor Salva, a convicted child molester, to direct its movie Powder. When Salva's victim, Nathan Winters (now 20), publicized the hiring, some of the police officers who investigated the 1987 molestation were incredulous that Salva was working again as a movie director.
- Disney helped underwrite the 1993 Hollywood benefit for the National Gay and Lesbian Task Force.
